

TWILE

TIMELESS WOMEN IN
LEADERSHIP AND ENTERPRISE
MENTORSHIP PROGRAM

2018

3RD
EDITION

ABOUT THE PROGRAM

Timeless Women of Wonder's vision is "INSPIRED WOMEN FOR A PROSPEROUS AFRICA" Our mission is to "Empower Women to Fulfill their Potential through Collaborative Partnerships". Women in Africa have made great strides in taking up leadership positions but there is still so much to be done across the spectrum of the various Leadership spheres (Political, Business, Corporate, Development and Public Sector). Women in all these spheres are faced with a multiplicity of challenges and barriers in their journey of leadership. There is also much to be learned within their areas and spheres of influence and Mentorship is a desired approach for their development into higher levels of leadership.

Timeless Women of Wonder through its holding organization Timeless Dynamic Services Ltd has been implementing a Timeless Women in Leadership & Enterprise Mentorship Program for Women who want to move to their next level increasing their Impact, Influence, Network & Net worth.

The Program - **TWILE MENTORSHIP PROGRAM** is designed for women in senior and executive positions within the Corporate, Public sector, Government, Business and Development sectors. These women will have the privilege of undergoing a 9-month Training & Mentorship program with Technical Experts in the various sectors and spheres of Influence and will also engage with Captains of Industry as Mentors throughout the program. The result is to develop leaders who will add value to their institutions having acquired an entrepreneurial mindset and developed their leadership skills that is relevant for Africa's future growth and to support their journey of transforming their organizations positively.

Objective: To equip women in Leadership to become Transformational Leaders in their institutions and in turn drive social and economic change through value based relationships and action.

Goal of the Program:

- Multiplication of value based and transformative women leaders in Africa
- Equipping Leaders to add value and impact in their institutions
- Empowering leaders to build a prosperous and inclusive society

Expected Outcomes

Participants will:

- Have leadership skills and tools to build successful businesses and careers
- Become impact oriented with focus on their own growth and successes as well as impact on their immediate environment
- Be part of a large network of high profile individuals providing continuous support and growth opportunities
- Gain recognition as leaders in their space
- Become part of the pool of the Multiplication of value based and transformative women
- Leaders in Africa

MENTORSHIP:

A number of high level mentors have already been identified for the program. Upon Program Signup, the list of mentors will be shared with the registered participants and each participant will be allowed to undergo a Mentor matching process prior to the start of the Program. The Mentorship is designed to deliver the following Benefits to the participants of the program

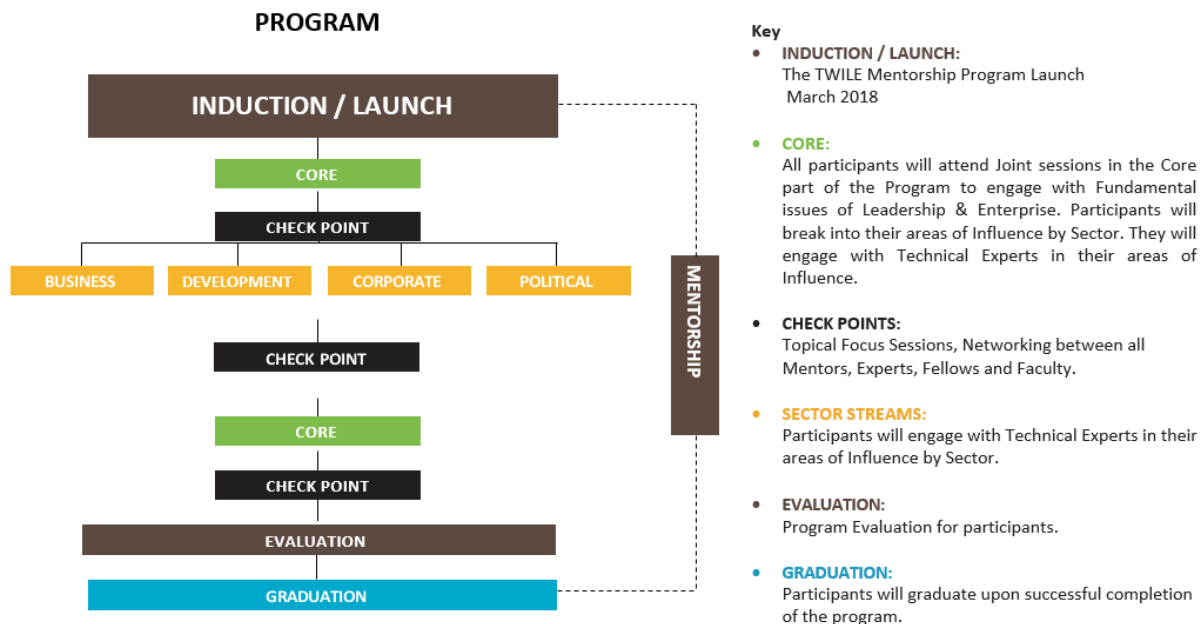

- Access to a support system during critical stages of the leadership development
